Către S.C. PALD Engineering S.R.L

Date 08.10.2014

SCRISOARE DE RECOMANDARE

"Apreciez faptul ca firma PALD Engineering S.R.L. si-a indeplinit atributiile contractuale cu profesionalism si promptitudine, precum si nivelul ridicat de competenta al angajatilor societatii si flexibilitatea demonstrata, considerand in special etapizarile si restrictiile pe care noi le-am impus prin proiectul extinderii fabricii noastre din Timisoara in anul 2012.

Nu am nici o ezitare in a recomanda PALD Engineering S.R.L. oricarei firme care cauta un partener competent pentru proiectele sale!

Daniel Zambori, manager proiecte dezvoltare, Continental Automotive GmbH"

TESTIMONIAL

"I appreciate the fact that the company PALD Engineering S.R.L. fulfilled its' contractual duties with professionalism and promptitude, as well as the high level of competency and flexibility demonstrated by its employees, especially considering the phasing and restrictions we have imposed in our Timisoara plant expansion project in 2012.

I have no hesitation in recommending PALD Engineering SRL to any company looking for a competent partner for its projects!

Daniel Zambori, development projects manager, Continental Automotive GmbH"
